EMPLOYMENT

PRINCIPAL
LMR Consulting

PRESENT
Gaithersburg, MD

I am the owner and principal of LMR Consulting. I specialize in consulting on disability policy, accessibility in the built environment, and federal management.

EXECUTIVE DIRECTOR
US Access Board

1989 TO 2008
Washington, DC

I was the agency's senior career civil servant and report directly to the Board, working with that body to plan and then carry out all Board programs and activities. I represent the Board and maintain liaison activities with the White House, various Congressional committees, the Office of Management and Budget, and a variety of organizations and groups interested in the Board's mission. I exercise final authority for ordering and directing compliance investigations and initiating administrative enforcement proceedings, and represents the Board in Federal or state court civil action related to the Architectural Barriers Act or section 502 of the Rehabilitation Act. I exercise general supervision over all personnel employed by the Board, and function as the agency's Chief Financial Officer and Chief Information Officer.

I retired from 20 years of service at the Access Board and a total of 30 years of service in the Federal government in August 2008.

PROGRAM MANAGER
*President's Committee on Employment of
People with Disabilities*

1987 TO 1989
Washington, DC

I provided executive level support to the President's Committee. I prepared research and policy position papers for the Committee for circulation to the federal agencies and Congress. I coordinated the activities of the Committee members from the veterans service organizations, federal agencies, and other public interest groups. A major accomplishment of the Committee was to direct the Committee's resources to promote the employment of people with disabilities by state, county, and municipal governments. In cooperation with the National Association of Counties, the Committee sponsored workshops on developing JTPA Title IV-C programs.

PRESIDENT
Pools Plus, Inc.

1985 TO 1987
Gaithersburg, MD

I was owner and chief operating officer of Pools Plus, Inc., a swimming pool service and Spa sales company with an office and warehouse located in Gaithersburg, Maryland, and a store

in Rockville, Maryland. The company had 20 employees and achieved a yearly sales volume of \$1.5 million. I sold the company to return to public service.

MANAGER
INFORMATION RESOURCES MANAGEMENT BRANCH
Selective Service System 1983 TO 1985
Washington, DC

I coordinated the information resources of the agency. This included reviewing and approving the procurement and use of information and electronic technology and services; approving and controlling forms, publications and reports; and, coordinating the public information gathering activities. I introduced word processing and desktop computers to the agency.

MANAGER
ALTERNATIVE SERVICE BRANCH
Selective Service System 1980 TO 1983
Washington, DC

I planned and developed the Alternative Service Program which would place individuals classified as conscientious objectors in jobs which contribute to the national health, safety, and interest. We published a concept paper on the program, developed and published a set of regulations, established a detailed set of operating procedures and developed a computer support system. We conducted a series of public meetings to explain the program and to promote the acceptance of the program among the traditional pacifist churches.

EXECUTIVE ASSISTANT TO THE DIRECTOR
Selective Service System 1979 TO 1980
Washington, DC

I controlled the daily operation of the Director's office. It was my duty to coordinate and insure the timely completion of all tasks and activities initiated by the Director. I performed the final staff review of all information on the activities of the Agency that was being released through the various media; I received and reviewed all correspondence and reports routed to the director; and approved all statements made by the Director to Congress and the White House.

EXECUTIVE DIRECTOR
Paralyzed Veterans of America 1978 TO 1979
Washington, DC

I was responsible for all programs and activities of the organization and reported directly to the President and Board of Directors. During my tenure, we consolidated the chapter-based service program into the National Service Program, created the National Advocacy Program, and developed a program-based budget system for the organization.

LEGISLATIVE DIRECTOR
Paralyzed Veterans of America 1975 TO 1978
Washington, DC

My responsibilities included the following: the preparation of background and policy position papers; formal and informal contacts with staff and members of the Senate and House Committees on veterans Affairs; preparation and presentation of PVA testimony at Committee hearings; and follow up contact with appropriate Federal agencies administering programs in PVA's interest areas.
